

Certificate

This is to certify that

made donations to the World Land Trust Action Fund to purchase and protect

Thirty Six Acres

of threatened tropical rainforest in Brazil.

Working with Reserva Ecologica de Guapi Assu (REGUA), this donation will be used to purchase critically threatened Atlantic rainforest which will be added to the reserve already being protected by REGUA. This global hotspot for biodiversity protects a range of endangered species.

Thank you for taking Positive Action

John A Burton, Chief Executive, WLT

August 2007 - March 2009
